Allowable Subject Matter

Claims 1-10, 12-15, 17-20, and 22-25 are allowed.

The following is an examiner's statement of reasons for allowance:

Applicant's arguments with regards to amended independent claim 15 are persuasive.

The subject matter of amended independent claim 17, and new independent claim 25 is distinguishable over the prior art of record.

Thus, all independent claims (claims 1, 12, 15, 17, and 25) now contain subject matter distinguishable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stefan Stoykov whose telephone number is (571) 272-4236. The examiner can normally be reached on 8:30AM-5:00PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Rehana Perveen can be reached on (571) 272-3676. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
